Our Reference: 027545-143

Dear Paul:

Enclosed please find a second draft application for the above-identified invention. Please review the application with an eye towards technical accuracy and completeness, and send us your comments at your earliest convenience. In addition, please give me a call so that we can discuss the upcoming publication of this material and whether we should make this application a C.I.P. application.

We look forward to hearing from you soon. If you have any questions or comments, please call either Steven S. Payne, at (703) 838-6641, or me.

Very truly yours,

for Ronald L. Grudziecki
